1st April 2025

Dear Parent/Carer

Today, Tuesday 1st April, you will be able to read your child's report on the Arbor parent portal.

We hope you find this information helpful especially as students start to focus on their end of Year 10 exams in June.

To access the portal either use the Arbor App or go through the online portal (<https://login.arbor.sc/>). If you have forgotten your password, you can also reset it there. If you have not used the Arbor portal before, you have been emailed an invitation to sign up (please check your junk or spam folder).

There is a lot of detail on the report, as follows:

**Attendance/Lates:** Attendance and punctuality are important for a student's attainment levels and positive attitude towards College life. Students should aim for 100% attendance and avoid broken weeks (i.e. taking the odd day off).

**Behaviour Incidents:** This is a count of any cautions (negative behaviour incidents) given this term. We do not record positive behaviour points, but rather House Points.

**House Points:** House points are awarded to students for demonstrating the core values in school.

**Minimum Target Grade:** For each subject, a student has a minimum, end of Year 11, target grade. This is calculated using the Department for Education's attainment 8 estimates.

**Current Mark (Attainment Grade):** For Year 10 this mark may be from end of topic tests or from a variety of work they have completed during the current academic year. The grade is colour coded to match their Year 11 minimum target grade: pale green shows working at this target grade, darker green shows working above this target grade and cream shows currently working below this target grade.

**Attitude to Learning, Conduct and Homework Grades:** Each subject has reported judgements for attitude to learning in class, conduct in class and homework. Remember, the higher the number the better the judgement:

4 = excellent      3 = good      2 = requires improvement      1 = cause for concern

Should you wish to discuss this report further you are most welcome to be in touch directly via email:
