Christ's College is committed to promoting equality and ensuring that no student is discriminated against due to their religion or belief, economic circumstances or social and cultural background – this policy contains provisions to meet these objectives.

This policy has been created with health and safety, value for money and practicality at its heart. It has been designed to ensure that students wear clothing conducive to a successful learning environment.

It is important that our students feel a sense of belonging and community through a smart and practical uniform. We believe that a uniform allows all students, regardless of background, to feel equal to their peers and confident in their appearance. We also believe it is important for activities to be facilitated by specialised and appropriate clothing such as sports-specific attire.

All students are expected to wear the correct uniform at the College (including during the day and at evening events), and on their journeys to and from the College. Where students are in breach of these rules by not wearing the correct uniform, or by modifying it, they will then be expected to remedy the situation at the earliest opportunity.
