

## Christ's College Local Committee (LC)

**Christ's College is part of the Good Shepherd Trust (GST). The GST is a multi-academy trust within the Diocese of Guildford. More information about the GST can be found [here](#) including the [financial reporting](#) information and [governance arrangements](#).**

The GST has given the Local Committee (LC) a [scheme of delegation](#) which shows what the LC is responsible for.

The link to the academy's governance page on Get Information About Schools (GIAS) is [here](#).

The key functions of the Local Committee are to:

1. Establish the strategic objectives for the school;
2. Ensure accountability;
3. Oversee compliance;
4. Monitor the impact of the pupil premium grant;
5. be a source of challenge and support to the Principal (acting as a 'critical friend');
6. record visits to the school both during school hours (with prior arrangement with the Principal) and other events as appropriate;
7. draw any significant recommendations and matters of concern to the attention of the Trust Board via the Link Director of Education/CEO as appropriate.

Declarations of interest are declared and reviewed at LC meetings and are recorded in the minutes.

Our LC members perform a vital service to our College, supporting the delivery of a high quality education by the Principal and staff while ensuring that all aspects are efficiently managed and stay true to our [vision, ethos and values](#).

LC meetings are held six times per year. Part 1 (non-confidential) minutes of these meetings are public documents and can be requested from the school office.

### ***What are the different types of membership?***

- Ex officio member: the Principal School Leader;

- Parent member: elected by parents of registered pupils at the academy and must be a parent of a pupil at the academy at the time of the election (4-year term); the parent/carer may be appointed by GST if there are fewer nominations than vacancies.
- Staff member: 1 member of the school staff from each school appointed as a representative of the staff (4-year term);
- General member (4-year term).

***I'm interested in joining the LC, what should I do?***

Firstly, thank you! If you would like to be considered to be appointed to the LC you should contact the Chair via the school office for an informal chat about where your strengths and experience might be best used.

**Information about the LC can be found below.**
